President's Report

Firstly, I would like to express a welcome to Roz Becker who is joining the Dogs SA staff as the Executive Officer. Roz's bio has also been included in this month's Journal so please take time to read it and make her welcome. I would also like to show my appreciation to Cheryl Currie who has been acting in the Executive Officer role since Wolfgang retired.

Whilst we are on the recruitment, a number of members had concerns that the correct process was not adhered to. As such an Extraordinary General Meeting has been call in accordance with the Dogs SA Constitution to answer some specific questions. The notice of meeting and the questions are in this month's journal. Hope to see you all there to clear the air.

October has seen many of our disciplines recommencing activities after the long COVID 19 break, with mostly good reports about members observing the current restrictions. Dogs SA had recognized the difficulty that many clubs faced over this period and that was why the 50% discount on the entry levy was provided. This discount will run through until the end of December 2020.

Over the weekend 17/18 October 2020 the ANKC Ltd conducted the annual AGM and Board meeting. This was an interesting meeting conducted via ZOOM. A precis of the meetings will be posted on the ANKC Ltd/Dogs SA website and the Dogs SA Journal once they have been adopted by the Board. This should be in the December Journal.

As most are aware the Dogs SA Dog of the Year contest has been cancelled for 2020 due to COVID 19. As a result, all dogs that qualified this year will remain as qualifiers for the 2021 event. This includes Dog of the Year, Puppy of the Year and Neuter of the Year qualifiers. The DOTY committee will still be holding the DOTY fundraiser shows which will be held on 27/28 November 2020. So, come and support the DOTY committee as the more they can fundraise the bigger and better they can make the event.

Also, on Sunday 22 November 2020 Dogs SA will be hosting the Festival of Dogs at David Roche Park. The festival will have a number of display and activities depicting what Dogs SA has to offer. The day will be open and free to the public so come along, please invite your friends.

Last thing, just a quick reminder we are now in the height of snake season and plenty are being seen so clean up and stay vigilant. If you think your dog has been bitten go straight to the local Veterinary practice as time is of the essence if you want to save them.

There were far too many to thank individually so please consider this a huge thankyou to all who took the time to wish me well, it was much appreciated.

ROZ BECKER

Executive Officer. Dogs SA

Roz's passion for dogs can be traced back to her childhood where her family home was a sanctuary for animals seeking refuge. Whether they were her own, ones that walked in off the street or strays found wandering; her home provided protection until they were reunited with their owners. Dogs were not the only ones seeking help, cats, rabbits, lizards, birds all managed to find their way to the Becker household. One of her fondest childhood memories were watching her pet dogs give birth then seeing the puppy's eyes pop open for the first time before taking those wobbly walks.

Roz's family includes two indulged dogs Ralf (ACD X) and Barry (Terrier X), 2 chickens Bossy and Goldie and two guinea pigs Stripey and Whitey. While Ralf and Barry are indulged, this did not stop Roz regularly training them to ensure they are obedient and can socialise with other dogs safely.

Over the years she has participated in dog programs with "Ralf" who is now 11 years old. Having taken him to puppy pre-school, obedience training, and given both Dog Agility and Herding a go (unfortunately Ralf didn't quite have the stamina) she has had firsthand experienced with some of the programs offered via Dogs SA.

That love for animals and their welfare has continued to play an important part in Roz's life having been a board Member for Australasian Whale and Dolphin Conservation, a member of Port River Dolphins, running Petcare Business specialised in Dog Care, to her association and sponsorships of Dog Competitions at the Royal Adelaide Show. Even in her tourism days, she loved being greeted by the dogs of small businesses she visited to conduct coaching sessions.

Roz brings years of expertise at an executive level, she headed up the Port Adelaide Visitor Information Centre, Fleurieu Peninsula Tourism, Riverland Tourism Association, and in management positions with the South Australian Tourism Commission, Australian Tourism Export Council, and the Tourism Industry Council of South Australia.

She has spent more than two decades in broad-ranging business careers that include expertise in business development, strategic planning, sponsorship, event management, marketing, communications, and brand development. Whilst providing management and team leadership in roles across the private, government and not-for-profit sectors including running a small business and managing several membership-based organisations.

Roz's appointment brings a fresh new perspective to the organisation that will see her years of experience put to work towards growing the profile, membership, education and program participation at Dogs SA.

Outside of the office she is committed to spending time outdoors with her family (both animal and human) walking her dogs "Ralf and Barry", swimming and fulfilling her role on the GymWest Gymnastics Club Management Committee. When time permits, she enjoys painting, volunteering at the Port Community Arts Centre Gallery and working towards completing a double major in Fine Arts and Visual Culture.

It is possible for 2 Clubs to work together to provide enough volunteers.

Stories around the campfire with All Breeds Dog Judge, John Lewington

Rhode Island USA 1991

In 1991 I flew from Adelaide South Australia and plane hopped from Sydney to Los Angeles and on to Albany New York via Chicago it was a long trip .I was met in Albany by a very tired Terri Raeder at 10pm. Terri had a litter of three-week-old pups at home so had been very busy. When we arrived at her home it was a quick cup of coffee check out the pups and off to bed for a bit of snore. The following morning, I was woken by the wolfhounds singing for their breakfast around six am just like home.

The reason for my visit to America was to show the dog I co-owned in the American National Specialty and to judge a Wolfhound Specialty in Denver Colorado. Our friend Jude York was driving up from Denver with the dog Pooka and bitch Biddy so that I could show Pooka in the National and we would be driving back to Denver after the show . That day. I met Yetta Jensen and her friend Neils from Denmark who were traveling with us to the show in Terri's large motor home. We stopped on the way for a meal but to my surprise our Danish visitors stayed in the motor home they were not keen on American food and had bought a suitcase full of bread and cheese from their homeland - how did it get through customs. Was it Denmark where they had the problem with the mice and had to call the pied piper.

Five hours later we arrived at the Howard Johnson Lodge where the Irish Wolfhound Club of America had a welcome reception for the exhibitors and there was food and wine available.

The following morning while having breakfast in the dining room, a lady stopped at my table and said nice to see you here in America John I enjoy reading your articles in the Quarterly Magazine. After she had left I asked my friend Jude who she was and she told me she was Mary Morrison the Specialty Judge!

Well I got to show Pooka (Berwyck Eros of Ballyshannon) later that day in the American bred class of 34 entries. I legged it round the huge ring but didn't place in the top four so it just goes to show it doesn't always help to know the judge.

That night after dinner I had arranged to meet an American exhibitor I had been talking to that day in the bar for a beer There was a small bar in the foyer and a hamburger bar on the other side I sat at the bar with Bob talking about the show when a man in his fifty's dressed in a nice suit sat next to me and asked if he could join us . I asked him if he was there to show dogs and he told me he was a silver smith from New York and had been commissioned by the Wolfhound Club of America to sculpture a Wolfhound head for the fund raising auction held at every specialty. Never having owned a Wolfhound he said he searched through a number of magazines and found a picture of a dog called Angus from Australia and that was the model for the head. He was amazed when I told him it was my dog and that I wrote articles for that very magazine. Dan Skully said he had made a limited edition of twenty four and the cost was $290 plus shipping. The solid silver head in the auction went for a lot more than that closer to $500 I think. Well we sat at the bar long after everyone else had gone to bed even the barman had told us to help ourselves and just put the money in the till. So I acted as barman what a lovely night. When I said my good buys to Dan he asked for my address and said he would send me a copy of the Angus head I told him thanks but thought it was the drink talking. A few months later a parcel arrived from New York compliments of Dan Skully, it was the silver head mounted in a frame on a back ground of green baize on the back was a message "John, Best wishes for a good new year to you and yours and all the Angus' to come, Dan" Believe it or not that's a true story

AGE CLASSIFICATIONS FOR ENTERING SHOWS

Age Classifications are set out below and are effective for all Exhibitions

Dogs	Bitches
1 Baby Puppy	1A 3 months and under 6 months
2 Minor Puppy	2A 6 months and under 9 months
3 Puppy	3A 6 months and under 12 months
4 Junior	4A 9 months and under 18 months
5 Intermediate	5A 18 months and under 36 months
9 State Bred	9A 6 months and over whelped in SA
10 Australian Bred	10A 6 months and over whelped in Australia
14 Bred By Exhibitor	14A 6 months and over - Owned, Bred, Handled by Breeder
11 Open	11A 6 months and over

FUTHERMORE, due to confusion sometimes arising over the correct calculation of a dog's age into breed classes where the date of birth does not occur in the relevant month, the anniversary date is to be taken as the last date of that month, e.g. dogs born on the 31st January will be eligible to enter the Baby Puppy class on the 30th April
